

SHOPPING

CUSTOMERS AND SELLERS

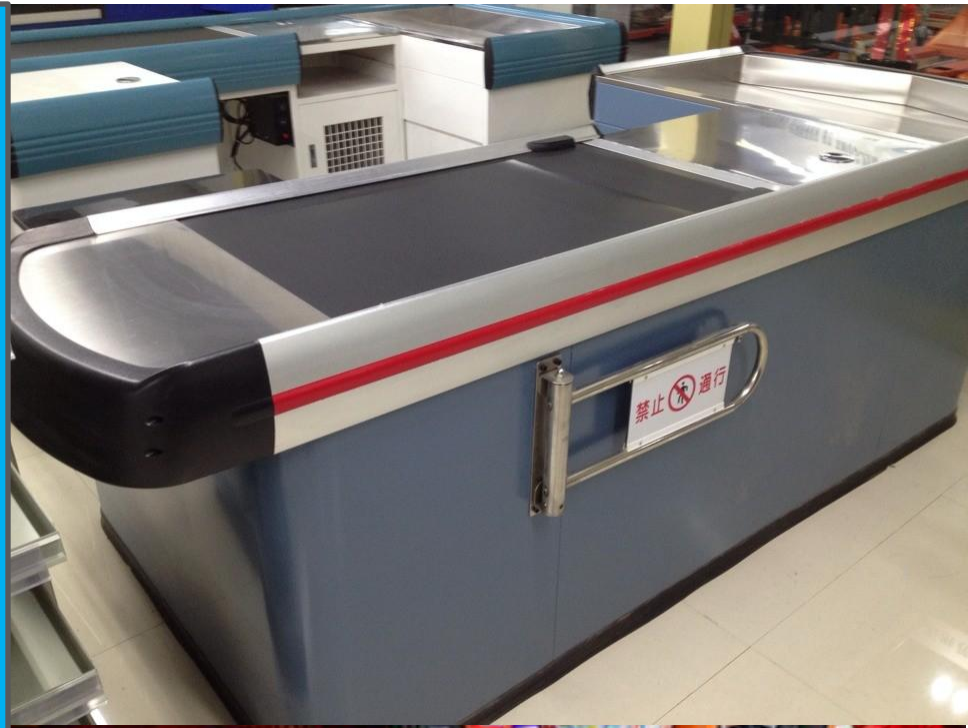

We buy goods and services in shops, we pay money for them. In shops we can purchase:

- **Groceries;**
- **Building materials;**
- **Household items;**
- **Electronics;**
- **Hygiene products;**
- **Clothes, and etc.**

People that sells you goods and services are called cashiers.

In shops you can often find counters where you put your goods for cashiers to scan.
